

Acacia Network by the Numbers!

Our Work in Bronx *

Acacia Network's history and that of our earliest affiliates is firmly rooted in the transformative work of Bronx-based Puerto Rican pioneers who made important contributions to the fields of behavioral health and addiction, particularly in underserved Latinx populations. Despite our wide and steady expansion across New York State and into other geographic regions, our work today remains deeply embedded in the Bronx.

**Numbers current as of 04/15/2022*

20,000+ individuals served through integrated primary care, behavioral health & addiction services

1,500+ units of affordable & supportive housing serving low-income households in the Bronx

Our Mobile Unit provides outreach and referrals, and will provide M.A.T. & mobile dispensing

Over 4,000 older adults ages 60+ served through through four (4) Bronx Older Adults Centers

Primary & Behavioral Care

Acacia Network serves **13,000+ patients** annually through six (6) primary care clinics and federally qualified health centers (FQHCs).

In addition, we serve **10,000+ patients** of all ages through fourteen (14) behavioral health programs, which include a Certified Community Behavioral Health Clinic (CCBHC), outpatient mental health and addiction services, residential programs, inpatient detox and rehab, and more.

Homeless Shelters

As a proud partner of the NYC Department of Homeless Services (DHS), our Homeless Services Division currently serves approximately **850 single adults and 600 families** with children through eighteen (18) homeless shelters, master lease programs, stabilizations beds, and other sites.

We are also operating a newly opened "Welcome Center" to address individuals who are experiencing street homelessness.

Older Adults Services

Acacia Network operates four (4) Older Adults Centers through the Institute for the Puerto Rican/Hispanic Elderly (IPRHE), serving more than **4,000 older adults ages 60+** through daily in-person activities, virtual programming, field trips, social services, meals, and more.

We provide hybrid and virtual programming for seniors who are not able to attend in-person programs.

Education

We serve **120+ preschool-aged learners** through two (2) early childhood education programs in the Bronx, including Head Start and UPK.

In addition, our school-based and afterschool youth development initiatives serve **more than 3,300 students** from grades K-12 throughout 7 programs in the Bronx, including our Beacon, COMPASS / SONYC After School, and Cornerstone Youth Programs. We also serve **1,000+ youth ages 14-24** through the Summer Youth Employment Program (SYEP).
