## **II. How and Why We Collect PII:**

1. We collect PII only when appropriate to provide services or for another specific purpose of our organization or when required by law. We may collect information for these purposes:

  - b. To produce aggregate-level reports regarding use of services;

  4. We share this data with the NYC Department of Social Services (DSS), Federal Homeless Policy and Reporting unit (FHPR) a/k/a/ the “HUD CoC unit”: the agency appointed by the CCoC to manage all PII we record about our clients. This agency is required to maintain the confidentiality of the data.
  5. We post a sign at our intake desk or other location explaining the reasons we ask for PII. The sign says:

**“We collect personal information about homeless individuals in a computer system called a Homeless Management Information System (HMIS) for reasons that are discussed in our privacy policy. We may be required to collect some personal information by law or by organizations that give us money to operate this program. Other personal information that we collect is important to run our programs, to improve services for homeless individuals, and to better understand the needs of homeless individuals. We only collect information that we consider to be appropriate. If you have any questions or would like to see our privacy policy, our staff will provide you with a copy.”**

iv. When we make a permitted disclosure about a victim of abuse neglect or domestic violence, we will promptly inform the individual who is the victim that a disclosure has been or will be made, except if:

A. We, in the exercise of professional judgment, believe informing the individual would place the individual at risk of serious harm; or
